

Kazahana at Hanaridge

Mountain Calm, Chalet Cool and Onsen Bliss

1.8km to Hanazono 308 Gondola

Kazahana is designed for those who seek style, space, and a little magic in the mountains. Crafted by renowned architect Riccardo Tossani and nestled in the exclusive Hanaridge estate, this 500sqm chalet blends sleek contemporary design with timeless Japanese touches.

Inside, the open-plan living and dining area conveys quiet elegance: soaring ceilings, warm wood textures, and natural stone details set the tone. Floor-to-ceiling windows frame sweeping views of Mount Yotei and the Hanazono forest. After a day on the slopes, dip into your private onsen, cosy up in the media room, or pour a glass of wine from the cellar.

Ideal for families and groups, Kazahana sleeps up to 14 guests across five bedrooms. Two tranquil master suites come with king beds and indulgent Hinoki bathtubs, while a third king room and two playful bunk rooms make it easy to share the experience and the memories.
