A Modern Chalet Just a 2-Minute Drive to the Gondola

600m to Kitanomine Gondola

Meet Shiyuki, a stylish chalet just a 2-minute drive from the Kitanomine Gondola — close enough to the slopes for first tracks, yet tucked away for moments of peace. With 208sqm of space to stretch out in, Shiyuki comes equipped with everything you need, from a laundry room to a kitchen with modern appliances, a wine cellar and a Nespresso machine.

Blending traditional Japanese charm with modern comfort, this 4-bedroom chalet is a sophisticated take on a countryside escape. Exposed timber beams, soft textures and wood furnishings create a cocoon of calm after a day in the great outdoors. The master bathroom features a fragrant Hiba wood soaking tub, while floor heating and climate control in every room keep you perfectly cosy, no matter the season.
